

Bioinformatics Infrastructure facility, DBT, mLAC *in Collaboration with*

BaseSolve Informatics Pvt. Ltd.

Organizes

One-week training Program on *Genomics and Data Analysis*

(Supported by DBT, India, NNP Scheme)

- *Interested participants can apply by scanning the QR code by 10th of Feb 2024
- *Only 30 applicants will be selected based on the details provided in application form
- *Selected candidates will be intimated through e-mail
- *Outstation candidates selected for FDP will be provided with TA

Venue: **BIF facility, mLAC**

Time: 10.30am – 5.00pm

No of participants: **30**

Registration Fees for selected
participants: **4200/-**

Dates: **Feb 19th to 24th 2024**

For queries Contact:

<http://tinyurl.com/GenandDA>

Topics covered:

Isolation of genomic DNA

QC of DNA

Library preparation

Sequencing

Genome data file formats

Data QC

Genome assembly

Genome annotations

Coordinator

Dr. Sushil Kumar Middha
DBT-BIF center, mLAC

Co-coordinator

Ms.Usha.T
DBT-BIF center, mLAC
