## Dear Colleagues

Pathology underpins every aspect of patient care, from diagnostic testing to the treatment advice with the use of cutting – edge genetic technologies. On behalf of the Organizing Committee, I am delighted to invite you to participate in the 2nd Annual Conference of Andhra Pradesh - Indian Association of Pathologists and Microbiologists to be held from 8<sup>th</sup> -10<sup>th</sup> of September 2017 at Dr PSIMS & RF, Chinna Avutapally, Gannavaram. The Preconference CME program will focus on applications of molecular genetics with hands on work shop in DNA extraction technique. The conference aims to integrate and put forward before you the expertise and knowledge gained by distinguished speakers in various fields of Pathology and Microbiology. We are ensuring regular updates on our conference website [www.mypadnow.com/iapmapcon2017](http://www.mypadnow.com/iapmapcon2017) and you can also follow us on Whatsapp groups (IAPM AP 2015 & AP Pathology faculty forum).

However, the most meticulously organized program, including Lab Expo and extracurricular activities will be nothing without your active participation and support. It is our humble and sincere request to you all, to come forward by way of your presence and presentations in various academic activities. The organizing committee has left no stone unturned to ensure that the conference turns out to be an occasion from which all of you carry back long lasting memories of not just scientific excellence but also a warm hospitality.
